RE: Wagner Castings Company

Please be advised that Internet Corporation, parent of Wagner Castings Company, a former self-insured company, filed a voluntary petition for relief under Chapter 11 protection of the U.S. Bankruptcy Code on 9/29/2004.

Wagner Castings Company was self-insured during the period of 8/26/1958-12/31/2005.

Internet has ceased its operations and will no longer be administrating its workers' compensation claims.

The Self-Insurers Advisory Board will be administering the workers' compensation claims from the self-insurance period. The Attorney General's office is representing the Board on the claims and must therefore be notified of any motions or other actions taken before a commissioner or arbitrator.
